

<b>Project Name</b>	50 MW Floating Solar Project at Rihand Dam, U.P.
<b>Bid Conducted By</b>	Solar Energy Corporation of India
<b>Bidding Won By</b>	Shapoorji Pallonji Infrastructure Capital Company Private Limited
<b>SPV Executing The Project</b>	Rihand Floating Solar Private Limited
<b>Location</b>	Bina, Dist. Sonbhadra, Uttar Pradesh
<b>Background</b>	Solar Energy Corporation of India (SECI) has invited the bids for 3x50 MW floating solar project in Gobind Ballabh Pant reservoir behind Rihand dam in 2018. Shapoorji Pallonji Infrastructure Capital Company Private Limited (SP Infra) won the bid for the 50 MW floating Solar Project at Rihand Dam, U.P. in the reverse auction method, among the qualifying bidders in Nov 2018. The project would come up in the reservoir (Govind Ballabh Pant Sagar) of Rihand Dam.
<b>Details</b>	After the receipt of the approval of the UP Regulator and clearance from Cabinet, the SECI shall be issuing the Letter of Award (LOA) for the projects to successful bidders. Thereafter, SECI shall enter in a Power Purchase Agreement (PPA) within the time line of 3 months. The developer will get 21 months from date of signing of PPA for completion of the project. Sterling and Wilson Solar, which is an SP Group company has already started preliminary studies and short listing technology and vendors along with SP Infra engineers.
<b>Cost</b>	More than ₹250 crore.
